Fax – 502-290-9480

Email – Nfunk@insightbb.com

Complete the following information to register your club for the 2010-11 season. A club must have one person designated as the Club Director who will be the primary contact for the club with the region. The club director as well as club administrators must be current, full adult registered members and must have passed the USAV background screening

This information should be entered on the online registration system (Webpoint) by the club director

CLUB NAME: _____

Club Director: _____ New _____

Club Email: _____

Club Address: _____

City, State, Zip: _____

Club Phone: _____ Club Fax: _____

Web Site: _____

Other Club Administrator to be allowed Online Access to Webpoint:

Name: _____ **E-Mail:** _____

This member will be given permission by the Region to access the Club's member information

These members above are given permission by the club to access the Club's member information in the USAV online system. They will have complete club management access and thus be able to create teams, assign members or move members from team to team as well as email club members.

In addition to myself, I, as the above named Club Director, authorize the Pioneer Region to give database access to the person listed above. I also understand that the above permission will remain as stated for future seasons or until a new club information form is received by the Pioneer Region registrar.

Club Director's Signature: _____

Date _____

CLUB ACTIVATION NOTES

This form should be submitted ASAP to allow Region Staff to update returning club's information; and enter new clubs to make them a choice for registering members. New club names may be subject to change depending on existing & previous clubs. Region Staff will create the 5 digit code for the new clubs. Club directors need to be registered online before staff can associate them with the club or the club can be listed in Webpoint..

A single team not affiliated with any other teams is a Club and needs to complete this Club Activation Form.

To share players with other teams you must be clubbed (same club name and 5 digit code). If you have several sub-clubs combined as one large club please submit one form with one overall Club Director listed; and the others will be given access as administrators. All the administrators will need to work together and rank all teams in each age group from 1-9 (followed by A-Z when necessary). Team rank is part of their 11 digit team code and needs to remain unchanged throughout the season so that results are credited to the proper team. #1 should be the strongest team #2 the next strongest, #3 next and so on down the list.

All Club Directors and Administrators must be current registered adult members; and have a current USAV background screening to receive Club Mgmt access. To keep administrative access active into the next season returning directors & administrators (to the same club) must complete the online registration process (cleared background also) prior to 10/31 or Region staff will have to manually turn your access on again.

Background screenings can take up to 2 weeks to process so make sure to register early if you need a screening this season (screenings are good for two seasons).

Fill out the Insurance Request form so certificates can be issued for all practice & tournament facilities that you will be using this season.
