

# How to Complete SafeSport Training/Refresher Course From My SportsEngine Account

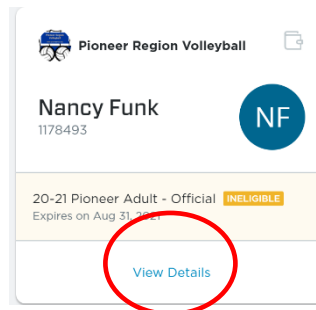

**NOTE:** You will first need a USA Volleyball Membership. If you have not purchased a Membership, you will *not* see this option.

If you've previously completed the SafeSport Training and need recertification, you are prompted to take a SafeSport Refresher Course instead.

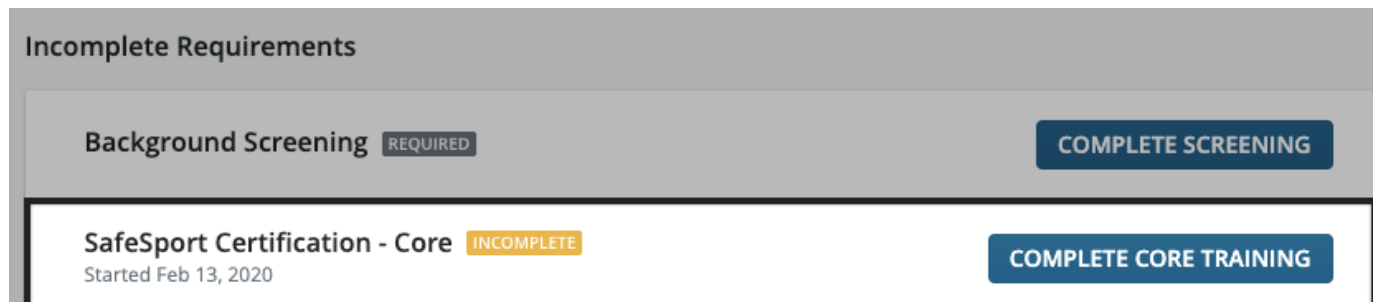

1. [Sign in](#) to your SportsEngine account and click the [Household](#) tab.
2. Click on the profile that needs to complete the certification.

3. On the right side of the page, on the *Membership card*, click **View Details**.

4. Click on the name of the membership.
5. Next to *SafeSport Certification*, click **Complete Certification**.

6. Complete the SafeSport Certification.
