

**** Do you have an existing Sports Engine Account from another sport?
No need to create another. Just login to that account.**

A “family” account must be created for anyone registering with Pioneer Region and USA Volleyball. The account operates like a “Household.” It can be an account for one person or a whole family.

First, an account must be created with a Primary account holder who **MUST** be an adult/parent/guardian. That person does not need to become a member.

When you go to purchase your child’s membership you will click “Add a Child” when it asks, “who is this membership for?” Then, your athlete will have a profile added to your “household” where you can view the membership, membership card, and eligibility.

When you click on the membership link it will prompt you to create an account if you do not have one.

‘primary account holder’
(MUST be adult) email address**
